

FACULTY OF SOCIAL SCIENCE

CENTER FOR RURAL DEVELOPMENT COMMUNICATION

**M.Sc IN STRATEGIC COMMUNICATION 2-YEAR DEGREE PROGRAM
(4-SEMESTER) CH-60**

Pre-requisite: Bachelor degree in Medical, Defense Studies, Public Health, Engineering, Social Sciences, Humanities, Natural Sciences, Commerce, Business / Public Administration and other development related fields; from HEC recognized universities may apply for admission. (Minimum Second Class/ C-grade). The aspiring candidates will be required to appear the aptitude test. For more information, student may contact the Director CRDC.

Strategic Communication is one of the fastest growing fields of study and research in the world. It essentially aims at grooming up the communication leaders; working in fields of health, business, politics, military and the development sector. It is for the very first time in Pakistan that the Master level program (M.Sc) in this emerging field is being offered. Under his two year program, the students will learn essential skills of designing, implementing and managing successful communication programs, advocacy strategies and media campaigns. It will provide them a firm foundation in theory and experimental learning so that they are able to integrate their knowledge and practice for devising effective communication plans and strategies; ensuring effective participating and behavior change.

PROFESSIONAL DIPLOMA IN HEALTH COMMUNICATION: 01-SEMESTER PROGRAM CH-16

Pre-requisite: The Candidates with graduate degree in medical, health, nursing, natural or social sciences from HEC recognized universities may apply for admission. Relevant experiences of writing in the field of health or participation in health related programs will be given preference in admission.

Professional Diploma in Health Communication (DHC) is aimed at preparing 'health communicators' who could be instrumental in improving the health of people, communities, and the environment in Pakistan. The program offers students a unique experience to learn theories and practical skills; necessary to analyze health problems and devise strategic solutions. It will enhance the knowledge and expertise of health communicators in writing, editing, and developing materials for various media; aimed at health promotion/education to inform, educate, and influence audiences. For More information, student may contact the Director CRDC.

<i>Semester Courses</i>	<i>C.H</i>
DHC 101 Health Care Systems in Pakistan	3
DHC 102 Health Communications	3
DHC 103 Writing Health Matters	3
DHC 104 ICTs & Social Media in Health	3
DHC 105 Health Communication Research	3

PROFESSIONAL DIPLOMA IN RURAL DEVELOPMENT COMMUNICATION: 01-SEMESTER PROGRAM CH-16

Pre-requisite: The Candidates with graduate (B.A / B.S / B.E / MBBS / MBA / MPA) degree from HEC recognized universities may apply for admission. Relevant experiences of writing in the field of health or participation in health related programs will be given preference in admission.

Professional Diploma in Rural Development Communication (DRDC) program is aimed at preparing professional 'development communicator'; who could be instrumental in transforming rural society from the state of poverty to socio-economically developed ones.

Under the program, the students will be oriented with the theories, importance and role of communication in the process of development. Eventually, they will also be trained to design, plan, implement and evaluate communication programs / material in support to national development, particularly in the areas of agricultural, health, education, environment, women development etc.

<i>Semester Courses</i>	<i>C.H</i>
DHC 101 Development Communication	3
DHC 102 Understanding Rural Society	3
DHC 103 Media Workshop	5
DHC 104 Research Report	5

For more information, student may contact the Director CRDC.

PAKISTAN STUDY CENTRE

M.A. IN PAKISTAN STUDIES 2-YEAR DEGREE PROGRAM (FOUR SEMESTER)

CH-80

Pre-requisite: Bachelor degree at least C Grade or 2nd Division. Pre-Entry Test.

FIRST YEAR

First Semester		C.H
PSC 500	Indus Valley Civilization	4
PSC 501	Political Development of Pakistan (1947 - 1971)	4
