

Implementation Plan

Department of Statistics (BS)

AT Finding	Corrective Action	Implementation Date	Responsible Body	Current Status
Insufficient space, equipment and facilities	Institute should provide more space, labs and equipment.	Immediately	Institution	Due to lack of space we can accommodate the half of the total strength of the students in the existing lab
Renovation of existing classrooms and allocation of new class rooms according to the strength	Classrooms should be centralized at the faculty level	One year	Planning department	Worst condition of class rooms
Insufficient Faculty	More faculty should be hired	One year	HR department	Department at female campus currently is being operated with only 03 faculty members
Faculty and staff should be equipped by the modern research and teaching facilities	Research and teaching facilities should be provided	immediately	Institution	Faculty is not equipped with the latest facilities
Hiring and promotion policies of the institution should be well defined	Make the policies criteria based. Implement these policies consistently in a transparent manner.	One year	Institution	All hiring of faculty are according to university rules
Weak institution of student counseling and progress monitoring	Assign committee for student counseling	Immediately	Department and institution	Student advisor at university level and class tutors at department level assigned these tasks
Faculty members teaching, monitoring and evaluation	Document and implement processes for faculty monitoring and evaluation.	Immediately	Chairperson and Institution	Online system is introduced by university for this purpose.
